

Crushing equipment design input Questionnaire

1	Name of processed material	☐ Stones ☐ Reinforced concrete ☐ Combustible waste ☐ Wood ☐ Industrial waste Other _____
2	Bulk density, t/m ³	
3	Max size of the loaded fraction, mm	
4	Output particle size, mm	
5	Presence of impurities: 1. _____ % 2. _____ % 3. _____ %	
6	Capacity, t/h	☐ Low: 1–5 ☐ Medium: 5–20 ☐ High: more than 20
7	Type of equipment	☐ Jaw crusher ☐ Roller crusher Other _____
8	Configuration	☐ Stationary ☐ Mobile
9	Operating conditions	☐ Indoor ☐ Outdoor/open area
10	Operating mode	
11	Additional options	Service platform ☐ Yes ☐ No Conveyors ☐ Yes ☐ No Control system ☐ Yes ☐ No Other _____
12	Services	☐ Design / engineering ☐ Installation ☐ Supervisory installation ☐ Commissioning Other _____
13	Quantity of equipment	
14	Delivery	☐ Yes ☐ No
15	Delivery address	
16	Funding source	☐ Own funds ☐ Leasing ☐ Government financing Other _____
17	Customer company name	
18	Customer full name	
19	Customer position/title	
20	Contact details	Phone E-mail
